

Unlock Hidden Cash In Your Closed Claims

ACM's Advance Program Pays You Upfront for Past Fleet Claims

Turn Your Closed Claims Into Immediate Cash Flow With ACM's Fixed Sum Program

Managing fleet claims is time-consuming and often leaves money on the table. Many fleets assume that once a claim is closed, the opportunity for additional recovery is lost. But that's not the case. Alternative Claims Management specializes in finding hidden value in closed fleet claims and ensuring fleets receive every dollar they are entitled to.

With ACM's **Fixed Sum Program**, we provide an **upfront, fixed sum payment** in exchange for the rights to reprocess your closed not-at-fault claims. That means your fleets get paid immediately while ACM takes on the work and the risk.
