

# RECOVER LOSS OF USE & DIMINISHED VALUE

From Your Rental Customer's Accidents

## ACM Can Collect Loss of Use for Rental Cars in Your Fleet

Rental fleet operators come to Alternative Claims Management (ACM) when they want to maximize damage recovery from vehicle accidents, including Physical Damage, Loss of Use and Diminution of Value. Our customers value that ACM partners with them to gain full recovery from insurance companies, ensuring their vehicles are thoroughly repaired, fairly valued, and returned to service faster. Remarkably, ACM operates in a performance-based model... so there is no cost until we deliver as promised.

### Program Benefits

- ✓ Eliminate the hassle of managing accident claims
- ✓ Get fleet vehicles back in service quicker
- ✓ Get reimbursed for downtime from accidents
- ✓ Pursue claims up to six years old\*
- ✓ Use the body shop of your choice
- ✓ Track status of your claims in real-time with ACM's cloud-based portal
- ✓ Experts in getting mid-range deemed as total loss
- ✓ Avoid processing claims with your insurance carrier, as there is limited recovery; keeps your premiums low
- ✓ Ensure fully-equitable reimbursements of Loss of Use, Inherent Diminution of Value, Repair Related Diminished Value, and Total Loss management

## What Our Clients Are Saying...

"ACM has been able to negotiate and settle a large percentage of mid-range damaged units as a total loss, beyond the wholesale value of the vehicle! They also coordinate the salvage bids and disposal."

— Claims Manager, Major Global Rental Car Company

"It is my pleasure to recommend ACM. We have been a client since their inception in 1997, and they have consistently produced great results. Their diligent approach to settling claims has been a great asset to us for over two decades."

— Risk Manager, Regional Truck Rental Company

**"ACM has become the buffer between us and our customers when it comes to claims, and as they promised we have realized more and more gains."**

— President, RV Rental Company

### ACTUAL CLAIM RESULTS:

#### Paid as Repairable

Vehicle	Cost to Repair	Loss of Use	Diminution of Value
