

ENHANCE YOUR INSURED'S ACCIDENT RECOVERY

From Not-At-Fault Accidents

ACM Delivers a Comprehensive Damage Recovery Solution so Your Insured Can Focus on What Matters

Alternative Claims Management's (ACM) affiliate program brings added value to your relationships with a comprehensive damage recovery solution. We ensure your clients gain fair and full reimbursement from the at fault insurance company when one of their vehicles is damaged by a third party. Our broker partners value the fact that they can bring their clients a comprehensive service that identifies unrecovered reimbursements, on past and future claims, with no out of pocket cost. ACM recovers loss of revenue/use and diminution of value dollars that many companies lack the expertise and process to recover. Best of all, ACM supports the insured and the broker with managing not-at-fault insurance claims, allowing both to focus on their core business.
