

RECOVER LOSS OF REVENUE

From Not-At-Fault Commercial Accidents

ACM Can Collect Your Lost Revenue and Maximize Reimbursements

Commercial fleet operators come to Alternative Claims Management (ACM) when they want to maximize damage recovery from vehicle accidents, including Loss of Revenue and Diminution of Value. If you have suffered a not-at-fault accident with your fleet vehicle, you need to be reimbursed for what you are entitled to. At ACM, our team of experts can recover the full value of lost revenue or use, as opposed to the limitations within your policy. **Even if you have spare vehicles, you are still entitled to this reimbursement.** Our customers value that ACM partners with them to gain full recovery from at-fault insurance companies, ensuring their vehicles are thoroughly repaired, fairly valued, and returned to service faster.
